Effective March 16th, all UIL interscholastic competition is suspended until March 29th. At this time, competitions may resume on March 30th. We are in contact with state authorities and will continue to monitor this situation. Should further adjustments be necessary, we will communicate them to you as soon as they are available.

During this time competitions are suspended, practices and rehearsals may be held at the discretion of the local school district. ~ From UIL
