March 8, 2024

Attention Parents,

TCISD is sending out this notification to inform you that we have a confirmed case of Mononucleosis in our school. Please review the information attached. We ask that you keep your child at home if they have a temperature over 100.0 degrees, and do not return to school until they are fever-free for 24 hours without the use of fever-reducing medications. Please encourage your child not to share drinking cups or water bottles to limit exposure. Also, remind your child to wash their hands several times a day. If your child exhibits symptoms as described in the information provided, you are encouraged to contact your family doctor. Additional information can be found at <https://www.cdc.gov/epstein-barr/about-mono.html#print>. For further questions or concerns please call Nurse McDonald at 432-345-2515 ext. 105 or email vmcdonald@terrell.esc18.net.
